

HOW TO MAKE AN APPOINTMENT WITH A NURSE OR MIDWIFE

Appointments with the Nurses or Midwife are made by calling Reception who will then find a suitable date for you to come in.

This is how it works:

1. Call us on the main surgery telephone number (01494 445150) and tell the receptionist that you need an appointment with the Nurse.
2. The receptionist will ask you for your name and your telephone number and book an appointment at a suitable time and date.

APPOINTMENTS WITH THE MIDWIFE

The midwife is available for ante-natal appointments on Tuesday and Thursday mornings however for your first appointment the midwife will call you herself to make an appointment.

6-WEEK POSTNATAL CHECKS

The date of your baby's birth will be sent to us and will be entered on our database. You will be offered 6-week checks for both mother and baby automatically.
