HOW TO COMPLAIN

Tell us about it

If you have a complaint or concern about the service you have received from the doctors or any of the staff working in this practice, please let us know. We want to provide the best possible service and your comments will help us to improve it.

Making a complaint

Most problems can be sorted out quickly and easily, often at the time they arise with the person concerned and this may be the approach you try first.

Where you are unable to resolve your complaint in this way you can either talk to our Practice Manager about it or write to us as soon as possible after the event and ideally within a few days. We will accept complaints made within 12 months of an incident or within 12 months of you discovering a problem.

Getting Help

If you would like assistance making the complaint you can ask **The Independent Complaints Advocacy Service** which is a local independent Health Complaints Advocacy Service provided by SEAP (Support Empower Advocate Promote). They provide free confidential advice and support, helping you to sort out any concerns you may have about the care we provide, guiding you through the different services available from the NHS

SEAP is available on: 0300 343 5705

Complaining on behalf of someone else

Please note that we keep strictly to the rules of medical and personal confidentiality. If you wish to make a complaint and are not the patient involved, we will require the written consent of the patient to confirm that they are unhappy with their treatment and that we can deal with someone else.

Where the patient is incapable of providing consent due to illness, accident or mental incapacity it may still be possible to deal with the complaint. Please provide precise details of the circumstances which prevent this in your covering letter.

Send your written complaint to:

**Mrs Anne Hewitt, Practice Complaints Manager
Cherrymead Surgery, Queensmead Road,
Loudwater, High Wycombe, Bucks HP10 9XA**

Email: anne.hewitt@nhs.net

What we will do

We try to settle complaints as soon as possible.

When we look into your complaint we will aim to:

- ◆ Find out what happened and what went wrong
- ◆ Make sure you receive an apology where this is appropriate
- ◆ Make it possible for you to discuss the problems with those concerned, if you would like this
- ◆ Change our systems to minimise the chance of the problem happening again

We will acknowledge receipt of your complaint within 3 working days and aim to have looked into your complaint within 20 working days of the date that you raised it with us.

If the matter is likely to take longer than this we will let you know and keep you informed as the investigation progresses.

We will then either invite you to meet us to discuss the matter further or write to you with our explanation.
